Tops as Profit Makers

The Swing

is to

Shorthorns

The most profit in beef production results from the ability to gain the greatest weight at the lowest cost. That's why the Shorthorn lines of progress are going up. Range producers are buying Shorthorn bulls by the carload to use on range cows for that added finish and extra 50 to 100 pounds more in weight from grass fed steers. Demand grows greater daily. You can't beat the breed's propensity for early maturity and greater weight at any age.

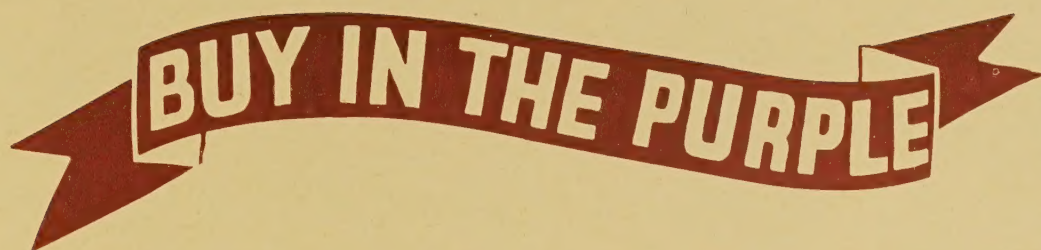

We need your help to supply this unfilled demand and there is no better place to get your foundation herd of Shorthorns than in this sale. It has no peer as a Shorthorn consignment event. Through the years it has built its reputation upon animals from herds which spell prestige in America. Sale offerings have built a national reputation for a capacity for breed improvement wherever they have gone. This year 71 breeders have especially chosen 50 bulls and 79 females from among their best in order to make this the most memorable of all sales. No breeder has consigned more than three head. It is the finest consignment of Shorthorns of championship calibre ever assembled for auction in present day experience. If you cannot attend we are ready to help buy one or a carload for you at no commission cost. Write or wire us.

Information for the Buyer

FREE FREIGHT OFFER—The American Shorthorn Breeders' Association will reimburse any purchaser, or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from Chicago. Why not contact some breeders in your locality in an effort to consolidate one shipment?

MAIL BIDS—Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be glad to handle buying orders for you. Contact them at the addresses listed, or in care of this Association at 7 Dexter Park Avenue, Chicago 9, Ill., or telephone Yards 0363.

TERMS—The terms of this sale are cash.

SHIPPING ARRANGEMENTS—It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment following the close of the Stock Show. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

INSURANCE—Coverage may be secured effective at the time of sales.

GUARANTEE—All animals sold in this sale will be backed by the Standard Guarantee endorsed by this Association. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale or will have certificates of Bangs calfhood vaccination, and those that are not from Accredited herds have passed a clean tuberculin test within the same period. Health certificates will be provided with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

Clinton K. Tomson, Secretary.

This bull is the epitome of the "history making bloodlines" which can always be found in the Chicago International Congress sales. He is Edellyn Royal Leader 29th, the highest selling bull in the 1946 International Centennial Congress sale. He is a son of Edellyn Royal Leader, imported in dam by Thomas E. Wilson, owner of Edellyn Farms, Wilson, Ill., and is out of Edellyn Orange Blossom 50th, one of the very best daughters of the Perth Supreme Champion, Calrossie Mercury. Edellyn Royal Leader 29th was consigned to the 1946 Centennial sale

by Mr. Wilson and bought for \$7,200 by P. A. Rasmussen & Sons of Goldfield, Iowa.

Bulls offered in the 1947 sale provide the FORMULA FOR LEADERSHIP—a capacity for doing which is not common. They have a way of returning profits on every dollar invested in them. It has been said "the good ones pay best." There is a "best" entered in this Congress sale for every type of herd. Bring your checkbook and your neighbor with you.

REGAL GOLDFINDER—this bull placed fifth in the junior bull calf class at the 1946 International. He is heavy boned, deep and sappy. It is doubtful if there are many young bulls in America today that carry the blood of so many famous bulls at the top of their pedigree. The imported cow is followed by a double cross of Avondale breeding, next a cross of Villager blood, next Cumberland, then imported Rodney with the two top crosses of Collynie Royal Barrage and Supreme Goldfinder.

Uniformity Has Real Cash Value

All livestock booms have gained impetus through increase of uniformity of the type which the public demands. The spectacular record of Shorthorn steer triumphs over all breeds in the last few years is a tribute to the widespread conception of modern uniformity of Shorthorn type and quality which has fixed itself firmly in the minds of our breeders everywhere—no part of the country excepted. That same uniformity has been incorporated into the 1947 International Congress sale consignment. This year's event offers the greatest uniform lot of bulls and females it has ever been our privilege to present. They embody the ability to annex the most enviable showing ribbons plus the propensity for reproducing winners after their own showing days are over. You can buy without reservation.

THISTLE HA' VICE CONSUL—this bull, of pure MacGillivray breeding, combines the qualities that have made the Calrossie herd one of the greatest in the world. Only the most famous of Scotland's bulls appear in his pedigree. An improving bull for the breeder requiring ruggedness, masculinity, compactness and good legs.

HERJADON LEADER—We are coming back to the Congress with a group of calves by Helfred Marauder that will further increase his popularity as a sire. This calf has an exceptionally good head, is low down, wide with strong legs that are well placed; very characteristic of the Helfred Marauder calves.

GOLDFINDER'S STAR—we believe is the best prospect for a herd bull we have ever bred. He is the first calf by our junior herd bull, Goldfinder's Royal. Every bull in his pedigree has been a credit to the breed and every cow would be an asset in any herd. This calf is as short, thick and deep as they come—he has a lot of bone and ruggedness, a very good head and rear end that would be hard to make better. We predict a great future for him.

ROYAL ROTHES 6th—is a dark red son of Imp. Royal Rothés and out of a red roan daughter of Calrossie Randolph. He is an extremely low set, short coupled, soggy bull with a real bull's head and thick rear quarter. He will be of serviceable age and bred as he is, should make a great herd bull prospect. Sons and daughters of Royal Rothés have consistently topped our state sales.

GLENBURN MAJESTIC—was first prize senior calf at the Central Canada Exhibition and a member of the first prize pair of bulls and get-of-sire. At the Canadian National Exhibition, he was second to the \$5,000 Kelburn Climax. The first calf from his dam was purchased by Merryvale Farm for \$1,700 in 1943 after being undefeated on the circuit. His sire, one of the greatest breeding bulls of the day, is not only a grandson of Perth champion, Millhills Ransom, but his dam is by an International champion, and both his sire and dam have the International champion, Browndale Goldspur as grandsire. His dam's sire was the junior and reserve champion of the 1938 C.N.E. and a full brother to the many times champion, Glenburn Myrtle 6th, their dam being by the famous Glenburn Field Marshal. Bangs vaccinated and fully accredited. Photograph unretouched.

PHILORTH RELIANCE—a deep red of nice balance and extreme width of back and quarters, was second in the senior calf class at Illinois, first at Ohio and third at Indiana. He is out of a grand dark roan cow and sired by a good breeding Calrossie bull from the same dam as Calrossie Mercury—a bull that was used successfully in the Wm. MacGillivray herd. He sired many females now in that herd and among other Perth prize winners, Glastullich Captivator—sold for \$50,000 in Argentina.

EDELLYN TWOFOLD MERCURY—was grand champion at the Iowa State Fair, reserve champion at Illinois and Indiana, and the outstanding young bull of the summer shows. His sire is out of the same dam as Edellyn Royal Leader and his dam, a real brood cow, is a full sister to the top heifer of our 1942 sale. Blood Royal 13th was one of our tytiest imported cows from the Millhills herd of Duncan Stewart and is by Emley Golden Rain, sire of the top selling bull in Scotland in 1933. Edellyn Twofold Mercury must be regarded highly not only for his rugged individuality, but this line bred Mercury has the very background to be certain as a sire.

MERCURY'S MASTER is a blocky, straight lined, good headed bull, a beautiful dark red. His sire is one of the best breeding sons of Edellyn Peerless Mercury. His dam's sire, Edellyn Golden Count, was the Ohio junior champion.

\$49,000 for 105 Steers

This champion load in the Shorthorn carlot division of the first post-war Chicago International Livestock Show illustrated the extreme profitability of today's commercial type Shorthorns. Their earlier maturity gives the advantage over other breeds of being ready for competition for market early or of being able to hold bloom longer for more

profitable later showing or sale if necessary. These averaged 1,045 lbs. around and were exhibited by Hugh Morris of Ainsworth Iowa, who brought seven loads of Shorthorns to the show—105 head of the best shipment of heavy cattle of any breed ever seen at Chicago by many yard experts. They were purchased as feeders in Colorado and Montana at around 500 lbs. average and at about \$26.75 per cwt. In addition to the breed championship they won a 1st, two 2ds, a 3d, 4th and 5th prizes. The champions sold at 50c a lb.; one load not entered for competition sold for 38c a lb. The 105 head averaged a fraction over 41c a lb. to gross over \$49,000 not including more than \$600 in prize money. **YOU CAN'T BEAT SHORTHORNS AS MONEY-MAKERS!**

COMMANDER IN CHIEF—is a good, thick, dark red, evenly fleshed calf out of a dam by a son of Campbell's Command and sired by Edellyn Royal Leader 17th.

RINGLEADER'S STAMP—is a very dark red as was his sire, dam and grand dam. He is probably the best headed and thickest hind quartered bull we have ever consigned to any sale. He has plenty of bone, is short coupled and is thick in his fleshing. His dam is truly a great individual as well as a breeding cow; we are using two of her sons in our herd now; the only reason this calf is being offered for sale. A grand dam is also being retained in our herd.

Pace Setting Shorthorns

The Shorthorn steer record of 1946 and 1947 has been the most colorful in breed history because great bulls have been used to provide championship inheritance. In almost every instance our steers were put into grand or reserve grand

positions in far out-numbered competition from other breeds, but the modern dressing and ideal conformation of the Shorthorn clamored for top spots and got them. They will continue to do so only as long as we keep our eye on the market and our ear to national demand. The three shown here were the winning steer herd over all breeds at the 1946 Chicago International.

More champion steers are possible because the breed has such a wealth of good bulls capable of producing them. Every bull in this sale has been chosen with an eye to market trends and an ear to national demand. Every one embodies the type, quality, conformation, and individuality needed for inter-breed recognition. Whether you want a leader for a pace-setting herd or an improving, weight-increasing bull for a prize-winning commercial herd, you will find just what you want at the 1947 International Shorthorn Congress sale.

LEADER'S CONTROL—a low set, deep bodied calf that stands correct on all four legs. We feel that he is one of the most outstanding sons of Edellyn Royal Leader 10th we have to date. He is a short aged senior calf that stood third in a strong class of calves at the 1947 Ohio State Fair.

ALERT MERCURY—a thick, soggy, real calf by Edellyn Modoc Mercury out of a Marellbar Scottish Hero dam that was also the dam of the reserve champion female at the 1944 Sioux Empire Show and Sale.

KA DEL ROYAL LEADER 14th—is a three-quarter brother to the 1946 Congress champion bull. He stood second in the junior bull calf class at the 1947 Iowa State Fair. Many people have commented on the great similarity of this bull to last year's Congress champion. We believe he is better in many points.

This Shorthorn female shows all the Shorthorn qualities that have earned for the breed the widest distribution over the face of the earth. She is a classy red with ideal finish. She was Grand Champion at the Illinois and Iowa State Fairs, the American Royal, and then helped in furnishing a brilliant finale to a great Shorthorn Centennial year by becoming the Grand Champion at the 1946 International and sold at the highest female price in the International Shorthorn Centennial sale. She is Broadhooks Maid 20th by the International Grand Champion bull, Goldfinder's Champion, out of Broadhooks Maid 19th. She was bred

and consigned by Clausen Bros of Spencer, Iowa, and bought at \$4,700 by H. L. Straus of Reisterstown, Md.

It takes champions to produce champions, and you can always find plenty of source material at the International Shorthorn Congress sale. We can assure you that there are more like this one in the 1947 event. Come prepared for liberal checkbook acceptance.

GLENBURN ROSEWOOD 21st—has won the senior yearling class three out of four times this year and was reserve senior champion at the Central Canada Exhibition. Her sire was the undefeated junior champion in 1943 and grand champion in 1944 on the Canadian circuit. Klaymor Royal, 16 times grand champion in 1938-39, was the senior champion at the Golden Gate Exposition. Her dam was a show daughter of Brawith Chief whose get defeated every get shown against them in Canada and in the U. S. in 1938-39.. Edellyn Favorite was the 1929 International champion son of the famous Browndale Count. Vaccinated for Bangs; fully accredited for T. B. Bred March 12, 1947 to Glenburn Legend, senior champion at the 1947 Central Canada Exhibition.

VIOLET'S PRINCESS 25th—is without doubt the most valuable female we have ever offered for sale. She was first in class at Illinois, first at Missouri and second at Iowa State Fairs. She has everything it takes to make a great brood cow—sweet head, thickness, depth, low set and perfectly balanced. This Violet family we consider the best in our herd and here is Goldfinder and Prince Peter breeding at its best. Bangs vaccinated. Bred June 30, 1947, to Goldfinder's Champion 2052878. WEST HATTON ROSEMARY 2d—was junior and grand champion female at the Maryland State Fair last year. She was shown at several county fairs in Maryland and in each instance was awarded first prize. Her sire is the product of an imported sire and imported dam, both from the famous R. L. P. Duncan herd of Scotland and both of the Rosewood tribe. Bred October 3, 1947 to Edellyn Royal Leader 2d 2155988, the noted sire in the H. L. Straus herd.

Shorthorns Are Booming Ahead

BEST IN EVERY WEIGH!

Although the fiscal year's figures are not available as we go to press, the report of 11 month's of progress shows 10,412 more registrations for Shorthorn calves this year than for the comparable period a year ago, an increase of 16.6 percent, and 2,196 new members have joined the American Shorthorn Breeders' Association for the 11-month period as compared to 2,073 for the full 12 months of the 1945-46 fiscal year. The average price of Shorthorns at auction for the 11-month period is 24 percent higher than last year for the same time. And Shorthorn steers continue to fill the bill as purple ribbon winners over all breeds at the important shows.

Shorthorns have more to recommend them than any other beef breed. They combine in the highest degree the most desirable qualities of shortness of leg, compactness of body, straightness of line, smoothness of flesh—the ultra modern type recognized as today's beef ideal. You can BUY THEM IN THE PURPLE at this sale and produce tomorrow's champions.

SHORTHORNS

SET NEW 47 YEARS

RECORD

Sweep All Major International Steer Championships

Grand—Reserve Grand—Steer Herd—Get-of-Sire

When Shorthorns swept through all the major steer championships at the 1946 International and set a new International high of \$10.50 for the first such triumph by any one breed in the 7-year history of the Chicago show, the leadership of the Shorthorn profit characteristic of greater weight for age combined with modern type and choice quality conformation, was well-established under present conditions, present prices, present costs, and in tune with present market demands. That Shorthorns are the SUPREME PROFIT BREED was further demonstrated by the breed's performance in the fat carlot show, and it has been demonstrated since in the greatest galaxy of Grand and Reserve Grand Champion steers over all breeds at county, state, regional and national shows that it has ever been the breed's privilege to present. Here are some of them. This group includes the Grand and Reserve Grand Champions at the Chicago International, Grand at the Louisville Bourbon Beef Show, Grand at the Portland International, Grands at the four largest junior feeding contests ever held in the history of this country and Reserve Grand at the Denver National, plus an array of Grands at county fairs all over the country.

It takes a good calf to make a Champion steer, and a top bull to produce a champion calf. Some of the most spectacular winners here were sired by top bulls sold in these International Congress sales.

Can You Use

an Extra \$1000?

Aside from the pleasure and profit in raising purebred Shorthorns, there is another way to increase income for the Shorthorn breeder who raises only the best. A well-conditioned steer getting to the top in inter-breed competition at a major show has great advertising and publicity value to the breed as well as to the breeder and the exhibitor of the steer.

To encourage owners of good Shorthorns to pick better calves for steers and to see them get into top competition with other breeds at major shows, an extra bonus of \$1,000 has been established by the American Shorthorn Breeders' Association for the exhibitor of a Shorthorn steer adjudged grand champion over all breeds at the Chicago International, Kansas City Royal, Fort Worth or Houston Fat Stock Shows, and the Denver National Western. In the case of a breeder who can't use that extra thousand dollars, there is many an expert fitter and showman among the 4-H or FFA boys and girls who would be glad for the chance to win it if the Shorthorn steer is made available to them.

You will find bulls in the 1947 Congress that will sire the type of steers that can make you eligible for this thousand dollar bonus as well as bring to you the great prestige attached to breeding and exhibiting A GRAND CHAMPION STEER.

ROAN LADY A 2d—this dark red daughter of Imp. Cruggleton Proud Prince is outstanding in every way and represents the best in breeding both in Scotland and America. Her dam was especially selected for a foundation cow.

EDGE MAR ROSEWOOD 15th—This beautiful dark red heifer was the reserve grand champion, first prize Summer Yearling, a member of the second prize Pair of Females, third prize Get-of-Sire and third prize Bull and Female at the Missouri State Fair this year. She will be hard to beat in the shows next year and should be an ideal brood cow. This is probably as valuable a female as will sell this year.

JEALOUS JEANIE—is a smooth, thick, evenly balanced dark red heifer of the Jealousy family and sired by Edellyn Royal Leader 17th.

HERJADON GIPSY MAID—is probably the best heifer we have ever offered for sale—she is typy and nicely balanced. Her dam, a nice red, thick cow by **Helfred Marauder**, produced the first prize senior bull calf at the 1946 Iowa State Fair. This heifer is a real show prospect that can win next year. Bangs vaccinated. Sells open.

M P ROSEWOOD—is a very choice heifer with lots of good breeding—sired by a son of the Perth champion, Calrossie Prince Peter; her dam is by a son of the Nelson Trophy winner, Divide Goldpiece. Her granddam is by Helfred Royal, a first prize winner at the Iowa State Fair. Bangs vaccinated.

ARK LEA MAXHALL MYSIE 2d—is out of one of the best daughters of Edellyn Banner Mercury. This heifer has the type, quality and balance to make her a top brood cow. The combination of bloodlines and the individuality are her best indications of a valuable heifer.

AUGUSTA'S LUSTRE 6th—a sweet little red heifer by Edellyn Modoc Mercury and out of one of our best breeding females. A half sister out of the same dam was one of the tops of the 1945 Interstate Show and Sale.
